

**NEW SPECIALTY FILTERS**  
For your TruSens Air Purifiers

**Pet Filter**

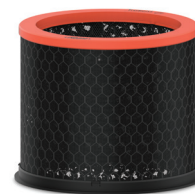

The Pet Filter with True HEPA captures up to 99.97% of pet dander and helps eliminate common pet odors so you can breathe cleaner air in your home.

**Features & Benefits**

- This combination filter has 3 levels of filtration formulated specifically to combat pet odors and dander. It includes a True HEPA filter with an activated carbon filter and a washable prefilter.
- The special cotton prefilter handles high volume of pet dander. Simply wipe it clean. No dry time.
- 360 degree filtration draws in air from all directions to collect pollutants from around the room.
- The filter is at the core of purifying your air and replacement is essential for your purifier to perform at its best. Replace every 12-15 months and replace the carbon filter (depending on usage\*).
- Change HEPA indicator glows red on your air purifier when the filter needs to be replaced.
- Compatible with all TruSens Air Purifiers.

**All-in-one Filter set**  
(Pre-Filter + Activated Carbon Filter# + HEPA Filter)

**Activated Carbon Filter#**  
(Optional replacement depending on usage\*)
